Dear Valued Customer,

We are pleased to have you as one of our customers. In order to establish an open account for billing, we require an up to date **"Letter of Authorization"**. This is a form issued by Fred J. Miller for your protection.

If you are a School Band Booster Organization or School Board and wish to have an open billing account, please complete this Letter of Authorization. This letter will give us the needed information to aid us in the process of taking your order, shipping the merchandise to the correct person(s), and getting the invoice to the party responsible for payment.

We prefer to set up an account in your school name. We can accept orders without the Letter of Authorization with an official school purchase order. If the order is phoned in using a purchase order it will not be shipped until we receive a hard copy of the purchase order either faxed or mailed to our office.

For your protection the names of people who are authorized to purchase are the only people from whom we will accept an order. Make sure you include all band directors, guard directors, staff members, etc.

**You must check either "yes" or "no" where it says "Are purchase orders required". Remember we must have a hard copy of the purchase order.**

Your order will be shipped to the address you designate on the form unless you specify a different shipping address at the time the order is placed. This address will also be the bill-to address unless specified differently at the time the order is placed.

The form requires two signatures. One should be the Band Director, and the other should be either the Principal, or the Band Booster President.

Thank you for your interest in **Fred J. Miller Inc.**, and taking the time to fill out this paperwork. We look forward to servicing your needs.
